

Artist Biography

Yvonne Komlenovich

I have been a Scarborough resident since 1970 and have been painting for many years. My medium of choice is **Oil**, but I also paint in **Acrylic** and **Watercolour**. I love painting landscapes. Most of my paintings are done on location (plein-air) at various locations throughout Ontario; namely, Scarborough, Peterborough, Belleville, Haliburton, Tweed and Madoc, to name a few. I have painted as far north as Algonquin Park, and as far west as Georgian Bay. I also paint portraits, flowers and the occasional still life. I do not try to make any particular statement with my art, nor do I paint to make a living. I do it for relaxation and the pure joy of seeing what can be achieved with paint and brush on a blank two-dimensional canvas. Although painting is my passion, I also enjoy gardening, playing the piano, keyboard and the steel drum.

I am an active member of **The Art Guild of Scarborough** (since 1978), **East Central Ontario Art Association (ECOAA)** since 1982, and **Pine Ridge Arts Council**.
